Authorization for this examiner's amendment was given in a telephone interview with V. Vitenberg on 9/30/05.

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

In claim 1 line 1, after "composition" insert "formed prior to spraying". In line 2 change "an" to "the".

In light of the interview summary this amendment neither narrows the scope of the claim nor constitutes new matter.
